

Hello My lovely Seals,

I hope you and your families are all well and staying safe. It's been a very different and strange few weeks, I miss you all so much and I am thinking of all of you each day. It was so lovely to speak to most of you last week and hear some of the things you have been getting up to.

I know you are probably waiting to see lots of new bakery pictures but I will be completely honest and admit that I have given up. I tried to make cheese twists and they were awful! I should have persevered but I've found a more exciting hobby- teaching Finley how to play football! Now I know there are many of you reading this and shaking your heads saying "Miss Setterfield doesn't know how to play football" or "she wouldn't be able to score a goal because she is a girl" (I can picture your faces right now) but I'm telling you now, I'm an expert at football now! I even won 4-0 against Finley and George the other day. I know, I know.... George is only 2 years old but let's face it, I'm a champion!

I hope you have all managed to get out in this gorgeous weather and taken in some of the lovely sights that are around us. I took the boys to Kersney Abbey and was pleasantly surprised by how empty it was! We managed to have a little picnic and feed some baby cygnets (I just had to google what they were called as I had forgotten) but basically, they are Swan babies. So very cute, the boys were fascinated and George even tried to climb into the lake with them!!

I have been looking at the three little pigs with Finley for his home learning. As you can see, we got very messy when doing some paper mâché the other day! We are aiming to make our own pigs, although I'm rubbish at art so they will probably look like a ball with an egg cup stuck on!

Please keep checking google classroom, I have assigned you work electronically now and you can complete it online and submit it back to me. Mrs. Mallett has kindly uploaded a video on our Newlands Facebook page with a step to step process on how to submit your work!

We are carrying out video calls every Monday at 2pm with Dolphin's class as well. Well done to Lily and Kaylan that keep joining me every week but I would really love to see some more faces! Look out for a link on google classroom that I post 5 minutes before the call, I tried to send the link in advance but it doesn't work.

Unfortunately, year 2 have beat us 3 x in a row for spelling shed, we keep coming 2<sup>nd</sup>! What is going on Seals class??

I miss you all dearly and I really hope we get to be together as Seals class again real soon! Please feel free to write on our google classroom or email at anytime for a chat or to share any news with us all.

Take care my lovely seals,

Miss Setterfield xx
